installazione con cassaforma laterizio F6.100.04
installation with brickwork housing F6.100.04

1 prevedere una nicchia nella muratura per l'incasso della cassaforma laterizio. posizionare la cassaforma laterizio nel foro facendo passare i cavi di alimentazione all'interno di essa, e procedere all'ultimazione della muratura con finitura dell'intonaco a filo della cassaforma.

ATTENZIONE: non sporcare l'interno della cassaforma. evitare che si riempa di cemento.

- form a recess in the wall for the brickwork housing. place the brickwork housing in the hole, inserting the power cables and complete the wall with a plaster finish flush with the housing.

PLEASE NOTE: keep the inside of the housing clean. do not allow it to fill up with concrete.

2 stuccare, rasare e verniciare
point, skim and paint

3 installare il sistema di illuminazione
install the lighting system
